Computer Technology

Langara's Custom and Corporate Training is tailored to suit your unique needs. Let us provide you with high quality, relevant skills training to help your organization grow. Bring your team up to speed in the modern work environment by providing training on computer skills and technology training.

AREAS OF EXPERTISE

- Computer skills for the office
- Adobe Creative Suite
- Database management
- And beyond...

We have flexible delivery options. We can provide skilled instruction online or in-person, at one of our facilities or one of yours, or a combination of the two. We're happy to work with you to find a solution that meets your needs.
