Langara.
THE COLLEGE OF HIGHER LEARNING.

Langara is a community of thinkers, collaborators, and mentors who value exceptional learning opportunities. Whether you are on a set path or navigating your way through a sea of options, our focus is on you and your experience here.

ADVANCED ACCOUNTING CERTIFICATE

Are you seeking to begin a career in accounting? Langara College Continuing Studies provides a two-year certificate program designed to get you job ready. Learn to effectively communicate, manage, and lead in today's business environment. Acquire the tools you need to achieve a rewarding career in accounting and finance management.

ABOUT LANGARA COLLEGE

Langara College is located in beautiful Vancouver, BC, Canada. Today, Langara is one of BC's leading post-secondary institutions providing university studies, career studies, and continuing studies programs and courses to more than 21,000 students annually.

VANCOUVER, BRITISH COLUMBIA, CANADA

Vancouver is a large urban centre where students will have access to many activities and attractions.

The city is noted for its multicultural perspective. Students studying at Langara College will find their learning experiences enriched through the contributions of instructors and students who represent many of these cultures.

"Vancouver is a city unlike any other. Wherever I look, I see water or mountains – or both."

- The Daily Telegraph (UK)

"In winter, the heart of downtown [Vancouver] is 30 minutes from the ski slopes. In summer, sun seekers crowd its beaches and seaside promenades. And despite a rain-prone climate, it displays a perpetually sunny disposition. Consider it the supermodel of North American cities."

- USA Today

Advanced Accounting

THE PROGRAM

The Advanced Accounting program integrates accounting with general business and information technology tools, allowing students to maximize their contributions to an organization's success. Students will develop the knowledge and skills required to effectively communicate, manage, and lead in today's business environment.

WHAT YOU'LL LEARN

The program covers financial accounting, management accounting, tax, audit, and finance as well as business courses on law, economics, communications, statistics, strategy, and information technology.

ACCOUNTING DESIGNATION

Courses in the Advanced Accounting program are recognized by the Chartered Professional Accountants of British Columbia (CPA) towards entry into the CPA Professional Education Program (PEP), and Advanced Certificate in Accounting and Finance (ACAF). Students can complete the remaining requirements directly through the association.

For more information, visit www.bccpa.ca.
