

Switching Business Programs?

Deadline to submit LSM switch requests to take effect Summer 2024: Friday, January 26, 2024

To switch business concentrations within the same credential (Diploma to Diploma) please complete the [LSM Program Switch Form](#)

To change from a business Diploma program to the BBA program, you will need to [submit a new application](#) to Registrar and Enrollment Services. The deadline to apply to the BBA for Summer 2024 is February 28, 2024.

To change to an Arts and Science (open enrollment) program, please fill out a [program change request form](#) and email it to registration@langara.ca.

Notes:

Students who change programs/concentrations are required to follow the curriculum in place the semester the change takes effect. Please contact business@langara.ca if you have any questions.

Latest changes to course offerings

- **MARK 2200 Marketing Communication Design:** No Longer Offered in Summer Terms. Students are advised to take this course in the Fall or Spring terms.
- **MARK 3210 Online Presence Management:** No Longer Offered in Summer Terms. Students are advised to take this course in the Fall or Spring terms.

Reminder: Diploma Curriculum

School of Management diploma students are reminded that they must follow their program's curriculum. Students who are enrolled in an LSM Diploma program but following the requirements of a different program can be removed and are advised to formally change their program as soon as possible.

Diploma course planning guides can be found on the [BBA and Diploma Student Important Information](#) page. Please email business@langara.ca if you have questions.

Is this your first term in the Diploma program?

If you have not done so already, please ensure you view the LSM new student orientation video. Students are expected to be aware of the content covered in the orientation:
